

## Regret

Words can sting in  
their curt time  
but those fade,

save for self  
pity, or madness,  
generalized.

Stow the verbal  
for the radiant

pain  
relived, depres-  
sing, once

stuck keys to  
horror

which surpasseth  
understanding. Then,  
watch a silly film

with friends. Half  
into it you'll

feel less  
dirty.
